

Asian Cardio Oncology Society (Proposed)

www.acos.info

AsianCardioOncologySociety@gmail.com

Dear Friends,

As you know, Cardio Oncology has attained a stature where there is significant interest and activity across the globe and in Asia as well. The International Cardio Oncology Society was founded in 2009, there are several Cardio Oncology journals and weekly virtual meetings are happening in this field.

In India, at least two conferences have been conducted in Cardio Oncology, one at TMH, Mumbai and the other at Amrita Institute, Kochi. Cardio Oncology clinics are being run at these two centres as well as at Apollo Hospital Chennai since years.

We therefore feel it is the right time to come together as a medical society dedicated to this field.

And we are planning to launch it with a superb Asian Cardio Oncology Society Inaugural Conference Series. This is scheduled every Thursday at 700 pm - beginning 24th September 2020 (for seven programs ending on 5th November 2020).

International Experts confirmed as faculty include:

1. Dr Susan Dent, Duke University, USA
2. Dr Alok Khorana, Cleveland Clinic, USA
3. Dr Michael G. Fradley, University of Pennsylvania, USA
4. Dr Teresa Lopes Fernandez, La Paz University Hospital, Spain
5. Dr CHONG Jun Hua, National Heart Centre Singapore
6. Dr Arjun Ghosh, St Bartholomew Hospital, UK
7. Dr Taro Shiga, Cancer Institute Hospital of JFCR, Japan

Please find enclosed the membership application form with further details.

If you are interested in participating in the Asian Cardio Oncology Society Inaugural Conference Series, please contact us by email (AsianCardioOncologySociety@gmail.com) with your special area of interest in the Cardio Oncology field.
