

2ND ASIA-PACIFIC CARDIO-ONCOLOGY SUMMIT

15TH & 16TH NOVEMBER 2025

GOLDEN TULIP, KOLKATA

KEYNOTE SPEAKER,
INTERNATIONAL FACULTY &
MEMBER OF THE ADVISORY COMMITTEE

DR. ARJUN GHOSH

- MBBS, MSc, PhD, FHEA, FACC, FESC, FRCP, FICOS is a Consultant Cardiologist at Barts Heart Centre (BHC), St. Bartholomew's Hospital, London and at University College London Hospital (UCLH) and Associate Professor at University College London and Queen Mary University of London.
- He is the first cardiologist in the UK to be appointed specifically in cardio-oncology and helped establish cardio-oncology services at both these hospitals which are now amongst the biggest services worldwide. Arjun leads the cardio-oncology service at UCLH which has Gold Category Centre of Excellence status from the International Cardio-Oncology Society.
- He is also actively involved in developing cardio-oncology curricula and guidelines and changing practice through the British Society of Echocardiography (BSE), British Cardio-Oncology Society (BCOS), UK Specialist Advisory Committee (SAC), American College of Cardiology (ACC) and the International Cardio-Oncology Society (ICOS). He was joint first author of the first British cardio-oncology guidelines published in 2021 and is the first author of the national late effects guidelines from the BSE. He is the founding editor of the Radcliffe Cardio-Oncology Educational platform. He is on the education committee and examination board of ICOS and is one of the editors of the 2nd edition of the ICOS examination guidebook.
- He runs the UK's only national Cardio-Oncology Study Day and helped organise the first pan-European Cardio-oncology Symposium.
- Outside of the interesting world of cardiology's newest subspecialty Arjun is involved in cardiac MRI (CMR) and cardio-oncology echocardiography and has several national and international leadership and management positions at the British Cardiovascular Society, the Royal Society of Medicine, BCOS, Asian Cardio-Oncology Society and ICOS. He is the co-host of the ICOS podcast and has been appointed to the ACC Cardio-Oncology Leadership Council.
- He was awarded the top level National Clinical Impact Award from the NHS in 2025 in recognition of his outstanding contribution to UK medicine.
